DISTRICT OF NEVADA

JGSM Entertainment Corp.,	Case No. 2:17-cv-02915-KJD-NJK
Plaintiff,	Order
v.	
TWG Management, LLC, et al.,	
Defendants.	

Before the Court is Plaintiff JGSM Entertainment Corp.’s Motion to Compel Arbitration and to Stay Action (#11). Defendant TWG Management responded in opposition (#16), and JGSM replied (#17). Defendant Wackman did not respond to the motion to compel and moved instead to dismiss the claims against him for lack of personal jurisdiction (#30). This Court determined it had personal jurisdiction over Wackman and ordered him to respond to the JGSM motion to compel. (##33, 34). Following that order, TWG and Wackman withdrew their opposition to the motion to compel (#39). There being no opposition to JGSM’s Motion to Compel Arbitration and to Stay Action (#11), the Court compels this action to arbitration according to the parties’ arbitration agreement.
